

Total

Rodolfo Dordoni 2007

A volte le rivoluzioni avvengono con la massima semplicità: è il caso di Total, la prima maniglia priva di rosetta. Ogni elemento meccanico è compreso in una forma pura e impeccabile, perfettamente proporzionata da Rodolfo Dordoni.

Sometimes revolutions happen with the maximum in simplicity like Total, the first door handle without a rosette. The entire mechanism is contained in its pure, impeccable form, perfectly proportioned by Rodolfo Dordoni.
